Re: monies for Grand Assembly Sessions 2019

Please make sure that ALL of your girls, especially those who are not planning on attending Grand Assembly know the following. If they cannot afford to stay, their parents may always bring them back and forth during the day.

The following are the dates and events for the activities for the 2018-2019 year that will be included so that girls may receive money to attend Grand Assembly 2019 from the donations received.

Must attend 75 % of their assembly meetings & activities & **eight** of the following fourteen Grand Assembly events held between April 15, 2018 and April 15, 2019.
