

American Flag Bearer

There's no land like my land
Beneath the shining sun
There's no Flag, like my Flag
In all the world, not one.
One land, one tongue, one people
To one Flag loyal and true.
No red shall wave o're my fair land
Without the white and blue.

There's majesty in Ole Glory
Hope in each stripe and star
Sounding freedom and Liberty
To nations near and far.
Unsullied and triumphant
Glorified, she floats anew
No red shall wave o're my fair land
Without the white and blue

Rhode Island Flag Bearer

Oh, fair Flag of Rhode Island
Upon your field of snow
The circled stars of Heaven
With fadeless beauty glow
And shed the light eternal
of their celestial beams
When Hope's so lifting emblem
With golden radiance gleams.

Oh, fair Flag of Rhode Island
Type of the pure and true
Rhode Island sons and daughters
Allegiance pledge to you.
Thru all the coming ages
May glory on you wait.
God, guard forever safely
The banner of our State.

International Rainbow Flag

The beautiful emblem of Rainbow
Shines on all we love
The lessons that Rainbow teaches
Come from God above

Through Faith and Hope we learn them,
These lessons so true and so old
And when we follow their leadings
We'll come to the Pot of Gold.

Rainbow Flag Tribute

The rain stopped.

The clouds separated to let the rays of the sun through
and with the first beam of sunlight, a bow of colors flew.

Across the sky to the breast of the earth,
the Rainbow brought the promise God made to His earth.

The RED of rosy cheeked children happily at play,
The ORANGE of glowing flame of one small candle lighting someone's way.
The YELLOW of a gentle daisy nodding in the misty rain,
The GREEN of dewy blades of grass, growing along side of a rambling lane,
The BLUE of the sky peeking through the clouds unfurled
The INDIGO of the shadows, "God's in His Heaven, all's right with the world,
The VIOLET of the early morn, the sun's rays reaching the earth reborn,

The RED, ORANGE, YELLOW, GREEN, BLUE, INDIGO, VIOLET,
all together can teach us the greatest lesson we could ever learn;
just to love and be loved in return.

Rhode Island Flag Tribute

3 stanzas for ritual competition only!!!!

Oh, fair Flag of Rhode Island
Upon your field of snow
The circled stars of Heaven
With fadeless beauty glow
And shed the light eternal
of their celestial beams
When Hope's so lifting emblem
With golden radiance gleams.

Oh, fair Flag of Rhode Island
Unsullied, floating free
Your white folds are symbolic
of peace and purity
Your stars bid us look upward
For aid beyond the skies
In darkest hours your legends
make faith and courage rise.

Oh, fair Flag of Rhode Island
Type of the pure and true
Rhode Island sons and daughters
Allegiance pledge to you.
Thru all the coming ages
May glory on you wait.
God, guard forever safely
The banner of our State.
