Grand Cross of Color

GRAND CROSS OF COLOR The highest honor that can be conferred upon anyone connected with Rainbow. It is given after many years of service to the International Order of the Rainbow for Girls. It is given at an initiatory ceremony held at Grand Assembly each year. In order to earn this award a girl or adult must have given many hours of devoted service to the Order and made outstanding contributions of time and talent. You also continue to work after receiving this award. A girl need not be a Past Worthy Advisor to receive this award and being Worthy Advisor does not automatically make you eligible for this award. There are not a certain number of hours needed and requests for the Grand Cross of Color are **NOT GIVEN** to the Mother Advisor, as this is an honor that is given **NOT** asked for.

**In Rhode Island, the following must be achieved before someone
may be considered as a possible candidate**

Girls

- a) Must be at least fifteen (15) years old on December 31st of the year prior to submission of name
- b) Must have been in Rainbow at least FOUR years on December 31st of the year prior to submission of name

Adults

Must have been Rainbow workers for at least FOUR complete years on December 31st of the year prior to submission of name
This does NOT mean that you have to be on the Board four years.

Each year, the number of designates is based on the number of girls initiated in each assembly. For every three girls that your assembly initiates during the calendar year the Assembly's Advisory Board, upon recommendation of the Mother Advisor, may submit the name of one girl and one adult. Final approval rests with the Supreme Assembly after approval of our Supreme Inspector/Deputy. An adult may receive the award for each girl nominated but there are never more adults than girls. The Assembly need not give out as many Grand Cross of Color awards as they are entitled to if there are not enough people who have met the qualifications. The number does NOT accumulate from year to year, however.

ADULT SERVICE AWARD

This award is presented to adult workers on Advisory Boards who do not have Masonic Affiliation.

The same requirements as for Grand Cross of Color need to be met. You may present one of these awards for every girl nominated even if a Grand Cross nomination is made.
